

I

Me and, my girl (1)
she gets in, a dress and -twirls (2)
my girl loves me, -because I am noble (3)
she gives me call, on her mobile (4)
what's up girl, I want to fuck, now, let's, get, -social (5)

II

read a lot of books to get a lot of knowledge (6)
strip on poles a lot to get to college (7)
little red riding hood and the big bad wolf devours her (8)
grandmom in a cottage (9)
why do people complain about the light bill, then they try to
(10) explain it, with your using up too much wattage (11)
when I see a sexy, beautiful bodied, magnificent hair, hazel
eyed girl tell me why my thing goes from soft to a solid (12)
let's build a building, now let's start with the column (13)
the devil don't want to get back up, he's already fallen (14)
I put on a sexy-ass dress-shirt and fold my collar (15)
tell me why, all these bums, ask you for a, dollar (16)

I like to see my girls naked too much clothes causes too much
blockage (17)
my girl friend at 16 was flawless (18)
I go to the mall and order my sandwich with an olive (19)
I hate when girls don't pay attention to you that causes too
much stoppage (20)
if they hurt my girl again I'm a have to grab a hostage (21)
ignorance in the black man were going to have to abolish (22)
in music I am the shepherd (23)
little antartica kid gets killed by a snow leopard (24)
my girlfriend orders her sub and says no peppers (25)
she's in high school she says she trys to fit in but is never
accepted (26)
I just want to do something noteworthy in life and be
remembered (27)
he gets around a lot of thugs and feels threatened (28)
I often look for God in the sky (29)

you can't commit murder, try to take it back, and then justify
(30)

social media want you to prove that you are a celebrity they
want you to verify (31)

ultra hd tracks the music I'm just trying to solidify (32)

I use to be a little caterpillar but I grew up, and morphed into a
emperors butterfly (33)

with his back against the wall, he knows he can't run no where
as the bad guy (35)

III

Me and, my girl (36)
she gets in, a dress and -twirls (37)
my girl loves me, -because I am noble (38)
she gives me call, on her mobile (39)
what's up girl, I want to fuck, now, let's, get, -social (40)

Club Records is a record label, studio and a store (41)
a liar the Lord abhors (42)
when she heard the track she giggled and wanted a encore
(43)
haters listen to the track, put on a front, then ignore (44)
I'm ambitious, if I was a drug dealer, I would launch a drugstore
(45)
damn, who's that sexy vixen, next door (46)
labels say that rapper is worth a couple million so the labels
start a price war (47)
my house is haunted so I need to go outdoor (48)
you got jokes I got jokes your mom so old her last boyfriend was
a dinosaur (49)
at 13 I was an orphan I was un-cared for (50)
America beefing with different countries watch we go over
there and start a korean war (51)
my girl wear dresses and bikinis she's stylish (52)

and he's acting simple I'm like stop, that's just childish (53)
if you ever seen me you will be like he's the finest (54)
I'm talking about my life here I just want you to hear my story
(55)
every living creatures fall short of God's glory (56)
when competitive businesses spring up I'm the CEO please
inform me (57)

V

Me and, my girl (58)

she gets in, a dress and -twirls (59)
my girl loves me, -because I am noble (60)
she gives me call, on her mobile (61)
what's up girl, I want to fuck, now, let's, get, -social (62)

the world is corrupt so her life can I save (63)
I'm self-less my sound art is what I gave (64)
in life you can't be a coward you got to be brave (65)
in life you can't be out of order you got to behave (66)
I got facial hair now I put on after shave (67)
girls like he's so sexy look at his sexy waves (68)
fuck liberty black people we use to be slaves (69)
she's like a fuck a devil I just want to be saved (70)
look at my art, this is what I create (71)

I believed in dreams so a founder is what I became (72)
I have everything to say (73)
I take my girl, out to a restaurant and order a entr'ee (74)
teachers like quit playing around, and stop that horseplay (75)
dudes get jumped, -melee (76)
my girl wake up 1 o clock in the afternoon and say I want to
have sex midday (77)
God says to my son, you will obey (78)
girl is sweeter than a parfait (79)
every young hot girls dream is to be an actor in a screenplay
(80)
in 2004 I use to wake up after monday and be like damn it's
fucking school day (81)
girl roll her eyes at me and say anyway... (82)
I'm so fucking legendary my birthday should be a holiday (83)
he's a ignored motherfucker he calls her name and says girl
when are you going to let me sleep with you
not paying attention that she's sleezy (84)

he go out with no hoody on and is like bitch, it's breezy (85)
sex without the birth control pill makes me uneasy (86)

VI

Me and, my girl (87)
she gets in, a dress and -twirls (88)
my girl loves me, -because I am noble (89)
she gives me call, on her mobile (90)
what's up girl, I want to fuck, now, let's, get, -social (91)

VII

The enemy's desire, is to follow the devil, and God is who they, want to eliminate. (92)

God's ways will touch your soul, as you go to heaven standing, at God's gate (93)

you was a nobody in life and now you need a new slate (94)

VIII

I make a hoe disappear (95)

I am African, I kill a lion, with a spear (96)

girl is a freak, she said next time you get in me, use some
headgear (97)

I'm a magician, I can make, a sexy mixed girl, appear (98)
to get as much money, as me, you are gonna, -need a light
year (99)

his album will never out-sell minds, -even if it's premiere (100)
when I was 17, it wasn't a girl, I was in love with, -but music (101)
he's a short fucking midget, he's like a dwarf, where's his tunic
(102)

my girl aggressively, lifts up her skirt, and ask me to lick (103)

I'm a fucking muscian, I turn 5 into 6 (104)

girls that like you, and another guy, is so confusing (105)

sex with a hot girl is so neurotic (106)

and sex with a mixed indian, is so exotic (107)

I bet you in 2040 it will be so robotic (108)
the eco-system is so biotic (109)

IX

The enemy's desire, is to follow the devil, and God is who they,
want to eliminate. (110)
God's ways will touch your soul, as you go to heaven standing,
at God's gate (111)
you was a nobody in life and now you need a new slate (112)

X

I say that "good stuff" to a girl, and she gets wetter, than the ocean (113)

I fuck a girl, in one motion (114)

in music it ain't about the flow, -but the right emotion (115)

for girls it ain't about the innocence but the devotion (116)
I fuck a girl in motion (117)
I self-destruct, and all you see, is in explosion (118)
in school they tell her to take that dress off, that's not our dress
code, not our policy (119)
your'e dressing like a slut that ain't quality (120)
your momma's picture shows up next to a definition of zoology
(121)
every guy is thinking the same thing I am, girl your naked ass,
bare breast and apple pie is
what I want to examine (122)
were at summer camp, we sleep in an outdoor, cabin (123)
I put in a Club Records Productions and be like bitch! I'm
jamming (124)

XI

The enemy's desire, is to follow the devil, and God is who they, want to eliminate. (125)

God's ways will touch your soul, as you go to heaven standing, at God's gate (126)

you was a nobody in life and now you need a new slate (127)

XII

with the gift of the holy spirt, comes the gift of long-suffering
(128)

I'm a king your'e a peasant with a disrespectful mouth I don't
want to hear your mouth with an utterance (129)

these lyrics and flows are a gold treasure in which I am
discovering (129)

when life deals you odds wait on the lord he's still reshuffling
(130)

to place my feet on uncharted land, uncharted terroritory I'm
just wondering (131)

my sound art they mimic (132)

they say hey!, come download my album on December 25th
with a gimmick! (133)

Motherfuckers in the streets are sick in the head they need to go see a clinic (134)

I like my girls with hazel eyes, big boobs, big butt and frosty skin she's like quick Paul you got to take one of us out please, be specific (135)

I take my girl out on a date at the pacific (136)

my girl friend is neat (137)

this is only half of me speaking, without her, I can never feel complete (138)

The enemy's desire, is to follow the devil, and God is who they, want to eliminate. (139)

God's ways will touch your soul, as you go to heaven standing, at God's gate (140)

you was a nobody in life and now you need a new slate (141)

XIV

when I have sex with my girl it's like a hot song, no a hot record
(142)

I am so "high up" at fucking my girl calls me Lord! (143)

you don't want a hoore her body is already explored! (144)

My girl is just like me, she's like let's have sex, I'm bored!?! (145)

girl your beauty goes beyond (146)

my girl is into me, by me she is entralled! (147)

with my past mistakes, past friendships, broken friendships &
broken relationships I just wanted to reconcile (148)

the internet is always full of shit, like quck download this
metafile! (149)

Some people don't want to settle suits but want revenge (150)

God is a protector so his way is to defend (151)

XV

Baby I see you, you are sexier than God's angels (152)
She's a 10 out of 10 like God's arch-angels (153)
be careful the enemy is after all girl friends, your girl friend will
start to gain appraisals (154)
Anime, Nintendo, Manga, Sega -Asians (155)
we all one color even some times I hang with the caucassions
(156)
we are all working in America Corporations! (157)

XVI

I close my eyes and see a demon (158)

They hate me, I'm corporate now, why should I quit, give me a couple of reasons! (159)

Life, switches up & changes up like the seasons! (160)

I do it to a girl, finish up and then my body weakens... (161)

in life he's been through a lot, the enemy brings up his past, -and then his emotional wounds, -deepen. (162)

In church you need a couple of pastors and, a few deacons (163)

I'm the master of hip hop I'm the original extrodinaire (164)

I take my girl on a date outdoors and say: enjoy that fresh morning air (164)

the tv stops working now it's up for repair! (165)

I see a familiar face, and then begin to get, a mental flash back! (166)

if I can describe my colored past I would describe it as black!

I use to wake up every school day and grab a motherfucking backpack! (167)

XVII

Baby I see you, you are sexier than God's angels (168)

She's a 10 out of 10 like God's arch-angels (169)

be careful the enemy is after all girl friends, your girl friend will
start to gain appraisals (170)
Anime, Nintendo, Manga, Sega -Asians (171)
we all one color even some times I hang with the caucassions
(172)
we are all working in America Corporations! (173)

XVIII

she's like hold me right, I grab her hips during sex, and say I got a good handle! (174)

I'm the flame, to my girl friend's desire, I'm the light to her -candle! (174)

My first dream girl created a scandal (175)

girl got curves, when she bends down at a 90 degree angle! (176)

This life is like a boring TV Show, I'm like please, turn the channel (177)

the enemy is out to get you, figure out their tricks, schemes & devices at a critical angle (178)

I bang her at a verticle angle (179)

my girl friend is a gift, -prize (180)

I'm award-winning actor, -master of diguise (181)

God says the wicked sha'll reach a demise (182)

I ask her for her phone number, then she replies (183)

my albums are a gift that comes from the skies (184)

Sound Track is a #1 classic, it's what every girl buys (185)

she puts on a top & booty-shorts that shows off her delicious thighs (186)

XIX

Baby I see you, you are sexier than God's angels (187)

She's a 10 out of 10 like God's arch-angels (188)

be careful the enemy is after all girl friends, your girl friend will start to gain appraisals (189)

Anime, Nintendo, Manga, Sega -Asians (190)

we all one color even some times I hang with the caucassians (191)

we are all working in America Corporations! (192)

XX

people hate club records they often say that it's a private enterprise (193)

I been through it all at 17, I'm like girl why you deny (194)

Social Media is in the way, they put it online (195)

He's like what's your sign, girl is like gemini. (196)

Music to me is, a way of life (197)

my girl friend is beautiful, I stare into her tender eyes, and slide
my hands down, her slender thighs. (198)

I use to be below average, but I launched Club Records, and
experienced a tremoundous rise (199)

niggas rape girls like their looking for that, -special prize (200)

my girl friend as a youth wanted to have sex early, I was in the
basement when I felt the, preasure rise (201)

I'm a young walt disney pridogy (202)

girl say she don't know me she act like I don't know she she turn
to her friend and say I don't know he (203)

that nigga is a crafty motherfucker macroni (204)

all digital artists start with adobe (205)

jesus came to serve God Lowly (206)

Baby I see you, you are sexier than God's angels (207)
She's a 10 out of 10 like God's arch-angels (208)
be careful the enemy is after all girl friends, your girl friend will
start to gain appraisals (209)
Anime, Nintendo, Manga, Sega -Asians (210)
we all one color even some times I hang with the caucassions
(211)
we are all working in America Corporations! (212)

I craft my own beats producer (213)

I'm devinaire nigga I'm like who's your pretty lady introduce her
(214)

I'm want a smoothie, -juicer (215)

I light a candle, put roses on the bed and seduce her (216)

life in the 2000's wasn't working out, I felt like a loser (217)

he sees you with a girl friend so he pursues her (218)

staring into the eyes of your acuser! (219)

I'm the show, and girls is the viewer (220)
it's weed, and he's a user (221)
I became wiser, at product (222)
he's an expert at chronic (223)
at 19 I fucked my first model (224)
life ain't about God it's economic (225)

XXIII

Groove to that bass (226)
they say you look young, you never age (227)

I stick it in her and get lost into deep space (228)
anti-christ claimed they were fucking girls but said
let me know when you reach "first base" (229)
I'm the Co-founder & the CEO of Club Records let me know
when
you want to meet face-to-face (230)
from robo to air craft (231)
my club records website is #1, social media think they own the
whole internet using a java script & html code, they published
a share button interface on all content, so when niggas get on
and view content, their like let me share that (232)

a violent nigga baste (233)

let the scriptures from the holy bible, stick to you like paste (234)

the enemy hates God, all of your good memories, erased (235)

I taste a foreign food, and it leaves a strange aftertaste (236)

your valuable girl, but I know, you feel misplaced (237)

you play gambling games at the casino (238)

every man's dream is to have a little el-nino (239)

he says dog, I'm not mexican, I'm a latino (240)

transformers battling, it's catastrophic (241)

every man's dream is to have a chick (242)

every man's dream is to be successul, and not have to pick a
up a broom stick (243)

self-centered men their life, is centric (244)
RPG's that promise the character-play will be eccentric (245)
girls, now-a-days are almost homocentric (246)
getting around a pretty girl causes too much sexual tension (247)
me and my freak is connected (248)
the girl is beautiful, don't go in on date, asking questions, know
your geometrics (249)

XXV

Groove to that bass (250)
they say you look young, you never age (251)
I stick it in her and get lost into deep space (252)
anti-christ claimed they were fucking girls but said
let me know when you reach "first base" (253)

I'm the Co-founder & the CEO of Club Records let me know
when
you want to meet face-to-face (254)
from robo to air craft (255)
my club records website is #1, social media think they own the
whole internet using a java script & html code, they published
a share button interface on all content, so when niggas get on
and view content, their like let me share that (256)

XXVI

I'm like king George the 5th (257)

I know, you hate yourself, so much, you gonna need a rebirth
(258)

he's a millionaire in-the-making he dosen't even know his worth
(259)

I'm a small man, body-wise I don't have a lot of girth (260)

you got a section of girls, now pick one, which one do you,
prefer (261)

girl looking for a boy friend that's why she kept checking her horoscope (262)

I was a formulating billionaire, I'm a sheep, you don't like conflict that's your horoscope (263)

you need more than Jesus, motherfucker you need hope (264)
when I was 16, I had a white girl friend, she was cool she didn't get an attorney, after she was groped (265)

why do all tobacco heads, be like; can I enjoy a smoke (266)

I'm the master of hip hop, he said he's the master of hip hop I'm like please do not provoke (267)

niggas walking around with no leash, on their hound (268)

art isn't just some picture but a sound (269)

niggas take my place and then say the well renowned (270)

my girl friend does a sensual dance for and say are you aroused (271)

XXVII

Groove to that bass (272)

they say you look young, you never age (273)

I stick it in her and get lost into deep space (274)

anti-christ claimed they were fucking girls but said
let me know when you reach "first base" (275)

I'm the Co-founder & the CEO of Club Records let me know
when
you want to meet face-to-face (276)
from robo to air craft (277)
my club records website is #1, social media think they own the
whole internet using a java script & html code, they published
a share button interface on all content, so when niggas get on
and view content, their like let me share that (278)

Girl let me call you on my hot-line (279)
girl you are perfect for me your body is the right design (280)
girl is fine (281)
niggas steal girl friends, so if they steal my girl friend I will ask the
Lord to send me another one, send me another sign (282)
some niggas are illeterate (283)
he attaches his resume to a file and clicks submit (284)
you are not that dog you are unfit (285)
girl is in denial I'm like please girl admit (286)
the question is, now-a-days is you and your girl legit (287)

the question is your 26 can you commit (288)
girl your love is like liberty (289)
I'm like lord with all this evil going on in our city I'm like lord
please, deliver me (290)
niggas don't believe I got studio albums, so they question the
productivity (291)
rappers get up on stage looking for that publicity (292)
do you beleive in love at first sight, that sort of compatibility
(293)

XXIX

Groove to that bass (294)

they say you look young, you never age (295)
I stick it in her and get lost into deep space (296)
anti-christ claimed they were fucking girls but said
let me know when you reach "first base"(297)
I'm the Co-founder & the CEO of Club Records let me know
when
you want to meet face-to-face (298)
from robo to air craft (299)
my club records website is #1, social media think they own the
whole internet using a java script & html code, they published
a share button interface on all content, so when niggas get on
and view content, their like let me share that (300)

XXX

Wisdom (301)

Girl instead of sleeping around with different guys, you should say,

I want to stay faithful and make it to the kingdom (302)

God ain't never leave none of us, be patient girl
and him and his Jesus will come (303)

I got the right rhythm (304)

XXXI

Young Tone The Beatbully (305)
wearing the fully (306)
I am so sincere purely (307)
he came here prematurely (308)

a girl approach me and say, I love you, can you pull me (309)
the devil tricked both adam and eve he said if you eat
from that tree you will not die surely (310)
I'm a bird, I look for my bread daily (311)
I'm a king you, should think of me highly (312)
Jesus is holy (313)
when you see buzz lightyear, you should see woody (313)
I hate negativity I like how he walked away maturely (314)
18 year old high school kids, like lets ditch school, get a hooker,
and play hooky (315)
I'm not worried about what I could be (316)
I pull bitches strings, -puppet (317)
I play jazz music, through a trumpet (318)
I shoot a basketball into a bucket (319)
he goes in the hut (320)
God says the devil's plans will plummet (321)
kill a nigga with a musket (322)
remember when super mario bros. came with duck hunt (323)

XXXII

Wisdom (324)

Girl instead of sleeping around with different guys, you should say,

I want to stay faithful and make it to the kingdom (325)

God ain't never leave none of us, be patient girl
and him and his Jesus will come (326)
I got the right rhythm (327)

XXXIII

A sexy vixen pull out a credit and purchase (328)

I was nervous (329)
I was like I need to take you out with a purpose (330)
my old emotions resurface (331)
why do bitches play games like a circus (331)
I fuck a hoore, and is like I enjoyed your service (332)
the enemy will hurt us (333)
but jesus will serve us (334)
young tone the beat bully (335)
goodness and mercy goodly (336)
he's a 9 to 5 nigga he's not into sound art, trully (337)
me and the beatbully 2 broads buy one get 1 free she was
willing to give up the cookie (338)
so I snatched her cookes (339)
in the bed room she was pushy (340)
I'm like let me hit again, she look at me with her hazel eyes, and
said really (341)
I don't like my bitches supreme, I like them regular (342)
my girl ride shot gun, in a white ferrari, she's the passenger (343)

I'm like let me have your number so I can give you call on your cellular (344)

I hate when niggas get girls like the predator (345)

snatching the perfect girls up like the perfect competitor (346)

I let relationships mature like the developer (347)

XXXIV

Wisdom (348)

Girl instead of sleeping around with different guys, you should say,

I want to stay faithful and make it to the kingdom (349)

God ain't never leave none of us, be patient girl

and him and his Jesus will come (350)
I got the right rhythm (351)

XXXV

I don't follow shadows, I follow dreams (352)

I like kings but I pull queens (353)

I don't like ugly bitches, but girls with good genes (354)

I get her by all means (355)

the beat produced by yours sincerely young tone the beat
bully (356)

he comes up with the sound track I write the lyrics in my head,
ideally (357)

I see a sexy chick and say gully (358)

I'm veteran at pulling girls, not a rookie (359)

she's sexy, she got blue eyes, black hair, tan skin, & a banging
body, I take her the nearest alley (360)

I'm the phantom of the opera, I'm like come girl, come on into
my room (361)

I'm the epitomy of black art and entrepreneurs, my ancestors
was probably the kings, god rest their bodies in tombs (362)

dude think he get more girls, than me, I'm like are you serious
(363)

catching her with dated pick up lines like: I'm a pisces what are you An Aquarius (364)

I was laughing at his inexperience (365)

I fuck the most beautiful, attractive, and sensuous woman laborious (366)

XXXVI

Wisdom (367)

Girl instead of sleeping around with different guys, you should say,

I want to stay faithful and make it to the kingdom (368)

God ain't never leave none of us, be patient girl
and him and his Jesus will come (369)
I got the right rhythm (370)

XXXVII

I smell fresher than aerosol (369)
my girl, cover up, her beautiful hair, from the rain, with a
parasol (370)
certain neighborhoods are dangerous, DO NOT SCALE, the
terrace wall (371)
I like my women mixed, milk, with a little caramel-syrup, until
they turn tan, -in the blender (372)
some girls are dikes, they keep you guessing their, gender (373)
I create digital art, and click, -render (374)
all, -5 lions, -voltron the defender (375)
He said how do I fit in, he said blend like a chameleon (376)
when it comes down to my mixed girls, I need variance (377)
white boy like you can't talk about my pants, because, I'm
wealthy and (378)

he's like let, me talk to someone, I'm not in charge, let me confirm! (379)

he's in college, the days, hours, minutes and seasons are looking like term! (380)

why don't girls, answer you back, like sex with you, is unconfirmed (381)

XXXVIII

Why does Dragonball Z always give you preview, -of the next episode (382)
their like where that kid at, -he never showed (383)
watch out for satan he will, get your precious soul (384)
why is it that when your finger slip, your phone gives off an error code (385)
her boobs are like gelatin (386)
you got jokes, I got jokes tell me why, your mom's mom looks like a pelican (387)
doctors always find, all sorts of shit wrong with you, like; let me take an X-ray of your skeleton (388)
your mom looks like a jock (389)
your hoe was impressed with me with I parked my enormous boat, by the dock (390)
my girl friend is a, super-model, she is the master, of the "cat-walk"(391)

me and my girl friend is tight, -interlock (392)
let me sign a nigga, -John Hancock (393)

XXXIX

I'm like Girl, your sexy and independent, you don't need a label
(394)

Fuck what a nigga say, they are telling stories, like a fable (395)

Girl got more curves then baked lasagna (396)

that nigga black Uganda (397)

she was like don't get in me, without, the latex (398)

he's like girl stop teasing me with your body, and say yes (399)

he's like I got the keys to the safe, and I promise you safe sex
(400)

dudes, will attempt to jump you all the time, he's just a pawn,
now let's play chess (401)

burning piss, a sign of unsafe sex (402)

watch what the fuck you say "replace text" (403)

fuck elementary, middle, & high school, every time you walk in,
they make you take, an essay-test (404)

I got a butt-naked girl in the shower, -lather (405)

like hollywood, I sneak through her 2nd. story, window, -ladder
(406)

XL

Life, will consume you, the consumption (407)

Life, will corrupt you, -the corruption (408)

they set you in world, full of corrupt criminals, and, expect you to function (409)

the world is corrupt causing dysfunction (410)

I got an idea, production (411)

he's a good sinner, he's against instruction (412)
